**Junior College Grind:** Zach Cameron and JT Brown are each working their way through the JUCO ranks. Cameron will be playing at Mineral Area College, one of the top junior colleges in the country. Last season the Cardinals finished the season ranked #9 in the country with a 28-3 record. Zach said, "We've got a great squad; our goal is to win the national championship. I have committed to play next season at Division 1 University of Wisconsin—Milwaukee. I hope to make the NCAA tournament and have an opportunity to play professionally."

JT Brown will play this season at North Arkansas Community College for Coach Steve Hunter. Coach Hunter recruited JT intensely last season, and the Pioneers are excited about his role for the team this year. "As one of the top newcomers on a very young team, we expect for JT Brown to play a major role for Northark Basketball this season."

**Vikings to Crusaders:** PHS graduates Autry Acord and Camron Satterfield are both currently playing for Coach Steve Jenkins and the Evangel Crusaders. Autry will be entering his sophomore season and Cam will be a freshman after red-shirting last year. Coach Jenkins is excited for both players, and the progress they have made, as they head into the season. Coach had high praise for Autry stating, "Autry had a terrific freshman year. (He was) easily our best defender, but also achieved great shooting percentages. (He was) arguably our best player". In 2016, Satterfield earned Honorable Mention All-Ozark Conference for Parkview. After red-shirting last season, he has continued to work hard and the coaching staff has taken notice. "Camron has shown marked improvement at the Pro-Am and our pre-season workouts," says Coach Jenkins. We wish both of these young men, and the Crusaders, good luck this season as they continue to represent Parkview Basketball!
